

The Graduate School Human Development in Landscapes in the frame of the excellence initiative invites applications for a

**post-doctoral position “Ancient Socio-Environmental Modelling”**

to begin as soon as possible.

The successful candidate possesses excellent knowledge in the field of Socio-Environmental Modelling, on prehistoric / ancient societies and a strong background in the design of mathematical models. We are seeking a highly motivated individual to conduct research on themes on “Human Development in Landscapes”.

Requirements include a Ph.D. in a field relevant to 'Human Development in Landscapes' and a strong record of research and publication (please read the homepage [www.gshdl.de](http://www.gshdl.de)). Candidates will be evaluated on the strength of their research proposal, previous research background, and publication record on modelling of prehistoric / ancient societies.

The duration of this post is for one year at the TV-L 13 (100%) level. The position holder can apply for research funds from the Graduate School.

Kiel University is an equal opportunity employer and is committed to increasing the proportion of female scientists in research and teaching, and strongly encourages female applicants. Women will be given preference in case of equal suitability, competence, and professional performance. The University is also committed to the employment of disabled persons, and such individuals will be accorded preference if suitable. Applications by people with a migration background are particularly welcomed. Please refrain from submitting application photos.

The application deadline is **November 6, 2014**. Preferred start date for this post is as soon as possible.

Please send a cover letter, CV, a statement of research (which includes the proposed post-doctoral project) no longer than 8 pages, and two letters of recommendation (directly from the letter writers)

as a **hardcopy** (postal address: Graduate School Human Development in Landscapes, Christian-Albrechts-Universität zu Kiel, Leibnizstraße 3, 24118 Kiel, Germany)

and via **e-mail** ([office@gshdl.uni-kiel.de](mailto:office@gshdl.uni-kiel.de))

to Dr Mara Weinelt.
